The Wauneta Public Library is looking forward to some exciting events coming in the next few months!

We are planning our 100<sup>th</sup> year celebration! The Wauneta Public Library began May 5, 1923, and has served the community throughout these many years! More information will be forthcoming, but please be thinking of all your WPL memories.

Our Summer Reading Program will begin Tuesday, May 30 and continue each Tuesday through June. More information soon.

And, we have 100 new children's books added to our library courtesy of the Brownstone Book Fund! We're very grateful for these nice, new books for the Children to enjoy! Come in and see!

Monday, Wednesday, and Friday 12:30-4:30

Tuesdays 10:00-11:00 am

April has been busy at Wauneta Care and Therapy! Our facility finished up the annual state survey and we are happy to say we only received ONE deficiency for health! Our dedicated team works

hard to ensure we provide the best care possible! We celebrated this achievement with a meal that was catered by Walgreens Supermarket, it was delicious! Our staff participated in an In-service training after the meal, presented by Tara Smith, a specialist with DHHS Adult Protective Services. We are continuously working to become better!

April 8th we held the local Easter Egg Hunt and had a great turnout! We would like to thank all the Wauneta Chamber businesses for donating eggs and the staff at WC&TC for helping with the hunt! Also a big Thank You to Dee Goodnow who handmade Easter Baskets for all the kids! Our family members caught the Easter Bunny sneaking around and then enjoyed a delicious meal on Easter Sunday, prepared by our Dietary Team!

Our April 2023 Employee of the Month is Julie Hardy! Julie is our Business Office Manager and is extremely passionate about her job. Congratulations, Julie!

# Wauneta-Palisade Elementary Happenings

By: WP 5th Graders

## April

For this past month, the elementary did a lot of activities and in May they are going to do a lot more! One of the things they did was for Arbor Day. They walked to and planted a tree at Krotter Park. Then had some snacks that were donated to them. The 5th graders published their own book and read it to the whole elementary. Their chicks (they hatched 1 and bought 3 more) went to their forever home after being in the 5th grade room for 3 weeks! The Elementary School also did Maps and NSCAS testing at the end of April, for the last time of the year. They also had a concert and the whole school participated (PK-5th). 2nd and 6th grade had a field trip to the recycling center in McCook and then they went bowling.

## "It's Gonna Be May"

May is looking to be very busy and exciting! On May 2nd, at 10:30 CT at the Wauneta football field, the PreK-5th grade will be having Field Day. On May 8th, the 5th grade is having D.A.R.E. Graduation at 2:00 CT in the Palisade Gym. They will have cake and refreshments to follow graduation! During D.A.R.E., they learned how to avoid drugs and violence. On May 9th, the 4th and 5th grades are going on their field trip to Old Town in Burlington, CO. On May 11th, the 1st and 3rd graders will take a field trip to tour AK Acres Popcorn and then they are going roller skating. On May 12th, there is possibility of no school for the prize for MAPs/NSCAS testing. The whole school has to meet the goal of 65% of all tests being "Green or Grow". On May 15th, the Kindergarteners will host a Mother's Day Tea, which means they get to bring their moms and have tea. On May 17th, the school will host a talent show, make sure you come! Finally, May 18th will be the last day!

## staff spotlight

For the month of April Mrs. Poe was our staff spotlight. Mrs. Poe's favorite games to teach in PE is gaga ball, parachute, and speed stacking. This is her seventh year teaching P.E. Her favorite sport is soccer because she has played it ever since she was four years old! She said "My favorite food is pizza!" Mrs. Poe loves to hang out with her dogs Winston and Oliver when she is not teaching. Her favorite book is "The War that Saved My Life" by Kimberly Brubaker Bradley. If Mrs. Poe couldn't be a P.E. teacher, she would be a professional skydiver. When Mrs. Poe went to college, she planned on being a dentist but then she did not want to be in peoples' mouths so she switched to P.E. Mrs. Poe loves P.E, she voted it as a 10 out of 10. Mrs. Poe's favorite holiday is Christmas because she loves hanging out with her family and giving gifts. She said her favorite color is pink!

## **Communication and Swallowing Disorders Common in Children and Following Stroke, Other Illnesses and Injuries in Adults- Know the Signs**

*Learn the Signs, Seek Help This Better Hearing and Speech Month*

Eleven percent of children 3–6 years of age experience a voice, speech, language, or swallowing disorder. Yet, many families do not know the early signs to look for—a factor that can result in delayed care.

“If families are worried about their child’s communication skills, speech-language pathologists can provide life-changing intervention that can help children develop and thrive in school and life. It’s so important that parents and caregivers know the warning signs and are aware of the benefits of timely intervention. Many communication disorders can be reversed or even prevented. While working with a speech-language pathologist can benefit a child at any age, intervention and treatment services often take less time and are most effective if they happen when the signs of a disorder first appear.”

Speech, language, and swallowing disorders are common following stroke, head and neck cancer, and a variety of other illnesses and injuries, it is important to learn the signs—and seek an evaluation—if they have concerns about themselves or a loved one.

“A person’s ability to communicate effectively is something that’s easy to take for granted until it’s compromised. Communication enables us to connect with others. It’s needed to learn, to earn a living, and to fulfill our basic wants and needs. Given this, it is critical people know the signs of communication disorders, and the availability of help from certified speech-language pathologists.”

Contact Jessie Kerchal with Rural Rehabilitation Services at 308-394-5333 to learn more about how she can help with any of your speech, language, and swallowing concerns. Follow along on Facebook to learn more about the signs and symptoms that may benefit from Speech Therapy.
